MARBLE

Block Tiles Mosaics Pattern Set

A set of four icons illustrating different ways to use the marble material. From left to right: 1. 'Block' is represented by a simple 3D rectangular prism icon. 2. 'Tiles' is represented by a grid of four squares, with one square in the bottom right corner being smaller than the others. 3. 'Mosaics' is represented by two adjacent squares. 4. 'Pattern Set' is represented by a cluster of several squares of varying sizes and orientations, some overlapping, suggesting a mosaic or collage style.

JAK DZIAŁAMY — Jak przebiega Twoje zamówienie?

Zamówienie i wycena:

Klient przesyła zapytanie z podaniem rodzaju kamienia, wymiaru płyt oraz ilości w m². Na podstawie zapytania przygotowujemy indywidualną wycenę. Ceny ustalane są według wielkości zamówienia.

Potwierdzenie i produkcja:

Po akceptacji wyceny i wpłacie zaliczki, zamówienie trafia do naszej fabryki w Turcji. Płyty są cięte na wymiar zgodnie ze specyfikacją klienta, a następnie poddawane kontroli jakości.

Pakowanie i załadunek:

Gotowe płyty są starannie pakowane na paletach i zabezpieczane do transportu morskiego. Każda paleta jest opisana i przygotowana zgodnie z dokumentacją eksportową.

Transport i dostawa:

Dostawa standardowa: Transport morski w kontenerze do portu w Gdańsku. Czas dostawy: 1–2 tygodnie od załadunku.

Dostawa ekspresowa: W przypadku pilnych zamówień dostępny jest transport drogowy z Turcji — krótszy czas realizacji.

Odbiór:

Po dotarciu towaru do portu w Gdańsku klient odbiera zamówienie lub organizujemy dostawę pod wskazany adres na terenie Polski.
